Large	NP	NP	13.8*	40.2	35.1	4.6**
Small	NP	NP	12.0*	38.9	28.5	7.4**

NOTES

1. Statistically significant difference observed using the 5% threshold compared to youth who were married or in a common law relationship.

* The coefficient of variation is greater than 15% and lower than or equal to 25%. The proportion should be interpreted carefully.

** The coefficient of variation is greater than 25%. The proportion is shown for information only.

NP: This value is not presented since some categories have less than 5 respondents.
