

**Salluit, number of respondents to the census 15 years of age and over
having an income, by size of income, 1980, 1985, 1990, 1995, 2000**

(N)

Year	Total	\$0 to \$9,999	\$10,000 to \$19,999	\$20,000 to \$29,999	\$30,000 and over
2000	620	245	120	95	150
1995	490	195	100	70	105
1990	375	190	75	35	90
1985	270	120	65	45	30
1980	135	95

sources: • Statistics Canada 2001, 1996, 1991c, 1986c, 1981c.

notes: • The income classes used during the 1981 census do not permit an aggregation according to classes in excess of \$10,000, similar to those used in later censuses.
• All the data entered are the aggregate of data rounded off randomly.
